

The Mustang Motorcycle Club Of America

The Mustang Motorcycle Club of America started in 1985 in Oklahoma City. Mr. Gerry Mills was the Mustang enthusiast that wanted to unite others like himself to promote the restoration and preservation of the bikes. It has now grown to over 600 members in many states. But, this was just the beginning. We are now having new members added weekly. My phone is constantly ringing with people, like you, who are interested in joining this fine National Club. Here is what we offer—

Quarterly publications with articles about the Mustangs, what is right and wrong for your bike, want ads, pictures of other members' bikes, stories of the Mustang, old advertisements, etc.

A National Meet held annually

A Club pin

A Club card

Sources of parts, information, help in restoring your bike from people who really know.

A list of members across the United States with whom you can enjoy talking and visiting.

It is our hope that you will join the club and become a part of this great group of men and women. All of this for just \$30.00 per year! Why not sit down and write us. You can contact me at the following address—
